## SPONSORSHIP

AWCB ASBL is a non-profit association with a proud 74 year history in the Brussels area, supporting expats to settle into Belgium and supporting local charities through philanthropic work. We also have a large number of Belgians and people from other countries who are long time residents or Belgian citizens; like America we are a true “melting pot”! Being an AWCB Sponsor provides special visibility to our very multi-cultural membership via our website, newsletter, FB, Instagram and LinkedIn pages, as well as special opportunities to host or attend events with our members and showcase your services and goods.

Cross-promotion between our Sponsors is encouraged! Your business can benefit by reaching new customers and reminding existing customers with cross-promotions. Check our sponsor page for our club sponsors, we will also facilitate introductions once you become a sponsor. More information below and on our website: <https://www.awcb.org/Become-a-Sponsor>
